PRESS RELEASE

1st October 2010, New Delhi

AIFB WELCOMES AYODHYA VERDICTS

The All India Forward Bloc welcomes the Allahabad High Court's verdict on Ayodhya - Babri Masjid dispute. However, the party is of the opinion that instead of finalising the disputes raised by the concerned organisations, the court has tried to settle the issue amicably with an aim to keep social harmony.

It is imperative to remember that delaying the judicial process on such a social issue are being misusing the anti - secular forces for their nefarious interest. Therefore, the court and the government should take appropriate steps to redress such issues without much delay.

The All India Forward Bloc appeals to all concerned organisation to hold high the great values of our secular character and abide the rule of land. All Concerned are requested to settle the issue before the judicial courts not at the streets.
