PRESS RELEASE

27th April 2010, New Delhi

WIDESPREAD PEOPLE RESENTMENT MADE NATION-WIDE HARTAL A GRAND SUCCESS

-- FORWARD BLOC

The Nationwide Hartal being called by the Left, Secular and Democratic parties today was a grand success. The Hartal became a warning to the Central Government on its failure to control the price rise.

The people who are suffering due to unbridled price rise of essential commodities came forward spontaneously at different places of the country to make the Hartal a success.

The workers from all sectors have participated in the strike. The activists of 13 political parties have blocked the road and rail traffic at many places. Air travel also been affected due to the strike call given by the employee's unions.

In West Bengal, Kerala, Tripura, Bihar, Jharkhand, Andhra Pradesh, Uttar Pradesh the Hartal was complete. In many states, people have demonstrated before the Central Government Offices. Several leaders of the Left, Secular and Democratic party leaders were arrested at different parts of the country.

The All India Forward Bloc congratulates the people who made the Hartal a historical one and registered their anguish over the callous attitude of the government on controlling the price rise and denial of withdrawing the increased duties of petrol and diesel. The All India Forward Bloc expresses its regret to the people who faced some sort of inconvenience due to the Hartal.
