PRESS RELEASE

29th October 2010, New Delhi

ALL INDIA FORWARD BLOC WILL OBSERVE PROTEST WEEK DURING OBAMA'S VISIT

The All India Forward Bloc will observe protest week from 6th to 12th November, 2010 against the visit of US president Barrack Obama to India.

The Party is of the opinion that, Mr. Obama's visit will concretize the military alliance between both the countries, which is detrimental to the interest of India. The change of guard in USA did made no change in the US approach towards Palestine, Iraq, Iran, Afghanistan, DPRK and Cuba. The visit will pave new avenues for US companies to expand their influence in the agricultural, education, cultural and defence sectors of India, which will strangulate Indian agriculture and industry further.

The AIFB will organise protest programme throughout the country during his visit.

A detailed programme of protest will be finalised in the next central committee meeting of the party, which scheduled to be held at New Delhi, on 3rd and 4th November 2010.
